3. Dress/Decoration

In order to enhance the 'Theme' for this event it is requested that you Dress up and decorate your stall with a 1940s theme.

4. Rubbish/Waste

Please ensure that you collect any rubbish or waste surrounding your area. Please help us to keep Lytham Green tidy!

If you have any further queries about your stall or the event, please do not hesitate to get in touch via 1940s@fylde.gov.uk

Please note that the event takes place on Lytham Green and this is an exposed coastal location. Given we have no control whatsoever of the weather, please prepare for the worst case scenario and ensure that your trade stand / marquee is of sufficient strength to withstand the elements. Do not expect a standard garden centre or high street shop bought gazebo to be sufficient. We will of course do everything to assist, but we will not refund any trader whose equipment is damaged and has to leave the event early due to inclement weather conditions.
