## Testimonials

“

**Mr & Mrs Warnock married 28/12/2021**

"Having viewed other venues, from the second we walked in The Villa, we knew it was where we wanted to get married. Amber was brilliant all the way through the process. I was never left wondering what was happening and nothing was too much trouble! More importantly, Amber was absolutely amazing on our wedding day. Everything went perfectly and Amber took me down in the morning to see the room set up and the cake etc and this really put my mind at rest that everything was in hand! The day went perfectly! I would recommend The Villa and Amber to anyone without hesitation."

**Mr & Mrs Lawson married 31/10/2020**

"Following our wedding on 31st October 2020, we wanted to thank you all at The Villa Wrea Green for your help in making our much re-arranged day such a success. As you know, we had originally planned to have our wedding at The Villa in June, with 130 guests for the ceremony and the subsequent meal and celebrations. However, with the various consequences of lockdowns and restrictions, we had to first move the date, then as we got nearer to October, we had to reduce numbers down to 30 then finally down to only 15. We were really pleased and impressed by your flexibility and your determination to help ensure that we could actually get married in 2020, for your ideas and suggestions and for your help in ensuring that we had as memorable experience for ourselves and families as we could under the circumstances. We will certainly remember our wedding for many good reasons and also with a sense of amazement that we did finally manage to go ahead in a year of such disruption and would thoroughly recommend both you as a team and your hotel to anyone who may be planning to get married."
